Joke of the week

Shortly after British Airways 293 flight had reached its cruising altitude, the captain announced:

Ladies and Gentlemen, this is your Captain. Welcome to Flight 293, non-stop from London Heathrow to Toronto.

The weather ahead is good, so we should have a smooth uneventful flight.

So sit back, relax and..... OH, MY GOD!

Silence followed!

Some moments later the captain came back on the intercom.

'Ladies and gentlemen, I'm sorry if I scared you.

While I was talking to you, a flight attendant accidentally spilled a cup of hot coffee in my lap.

You should see the front of my pants!'

One passenger yelled, 'For God's sake, you should see the back of mine!'

Remember to check the notice boards for rosters, draws, nomination forms and general information.

As always our thoughts and best wishes go out to anyone who is unwell or recovering, we hope to see you back soon.
