## Notes to the Financial Statements

For the Year Ended 31 May 2025

The financial statements are for Lake Cathie Bowling and Recreation Club Limited (the Company) as an individual entity, incorporated and domiciled in Australia. Lake Cathie Bowling and Recreation Club Limited is a Company limited by guarantee.

### Note 1 Material Accounting Policy Information

#### Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures of the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied, unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue on 25 July 2025 by the Board of Directors.

#### Accounting Policies

##### (a) Income Tax

The Company has been granted an exemption from income tax under Section 50-45 of the *Income Tax Assessment Act 1997*. The exempt status of the Company applies indefinitely or until such time as a change in circumstances warrants a review of the exempt status.

##### (b) Inventories

Inventories are measured at the lower of cost and net realisable value.

##### (c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated, less, accumulated depreciation and any impairment losses.

#### *Property*

Freehold land and buildings are measured on the cost basis less, where applicable, accumulated impairment losses and accumulated depreciation for buildings.

#### *Plant and equipment*

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses.

# Lake Cathie Bowling and Recreation Club Limited

ABN: 65 000 995 595

## Notes to the Financial Statements

For the Year Ended 31 May 2025

### (c) Property, Plant and Equipment (Continued)

#### *Depreciation*

The depreciable amount of all fixed assets, including buildings, plant and equipment and capitalised leased assets but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Company commencing from the time the asset is held ready for use. Depreciation is recognised in profit or loss.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rates
Buildings and improvements	5 - 50%
Plant and equipment	10 - 50%

### (d) Financial Instruments

#### **Classification and Subsequent Measurement**

##### *Financial liabilities*

Financial liabilities are subsequently measured at amortised cost using the effective interest method.

##### *Financial assets*

Financial assets are subsequently measured at amortised cost.

Financial assets comprising cash and cash equivalents, trade and other receivables and interest bearing deposits are subsequently measured at amortised cost as they meet the following conditions:

- the financial assets are managed solely to collect contractual cash flows; and
- the contractual terms within the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

### (e) Impairment of Non-Financial Assets

At the end of each reporting period, the Company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying amount.

Impairment testing is performed annually for intangible assets with indefinite useful lives.

### (f) Intangibles

#### *Poker Machine Licences*

Poker machine licences are recognised at cost of acquisition. Poker machine licences are tested annually for impairment and carried at cost less accumulated impairment losses.

# Lake Cathie Bowling and Recreation Club Limited

ABN: 65 000 995 595

## Notes to the Financial Statements

For the Year Ended 31 May 2025

### (g) Leases

#### Exceptions to lease accounting

All contracts that are classified as short-term leases and leases of low value assets are recognised as operating expense on a straight-line basis over the term of the lease. The Company has determined that a low value will be assets of \$10,000 or less.

### (h) Revenue Recognition

Revenue is recognised when control of the goods and services has transferred to the customers. For such transactions, this is the point in time when the goods are delivered to the customers or the services are received by customers.

### (i) Critical Accounting Estimates and Judgements

The Directors evaluate estimates and judgements incorporated in the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Company.

#### *Key estimates - Impairment*

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

No impairment has been recognised in respect of assets at the end of the reporting period.

**Responsibilities of Directors for the Financial Report**

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - AASB 1060: *General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

**Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
